

GMin Innovate Salone Fellow Form

Global Minimum Inc. (GMin) is a non-profit organization that catalyzes a culture of innovation through hands-on learning experiences, creative problem-solving, and leadership skills among youth. GMin inspires young people (aged 13-20 years) to use collaborative approaches to create and implement their own solutions to pressing problems in their communities. Our vision is to expand a culture of innovation and self-efficacy that can help drive economic, social and human development in Sierra Leone.

GMin is always looking for people with diverse backgrounds, talents, and skill levels to support as Fellows on our Innovate Salone (IS) team. We are looking for dedicated Fellows from each region to support our InChallenge program. Fellows will visit schools, help managers to publicize the InChallenge program by distributing flyers, collect and digitize applications, guide youth with the application process, and support the IS team to organize the 3-day InChallenge camp.

If you are interested in joining us as a Fellow, please fill out the application form below and send an updated CV to apply@gmin.org. Please address all applications to "The Innovate Salone Team". The deadline to submit applications is the 3rd of February, 2020. Thank you for your willingness to support us. If you have any questions about this application, please contact us at emmanuel@gmin.org or 232-76-710790
